Dear Sir:--

Some time ago we saw at Mr. Beach's Studio the Peace Medals that he had gotten out and that you were to sell. We would like very much to get the sale of these for our Worcester and Boston Studios. Will you be so kind as to give us full details as to sale, etc., and oblige,

Very truly yours,

Mr. H. Schervée,  
228 Main Street,  
Worcester, Mass.

Dear Sir:-

In response to your letter of July 5th, I beg to advise that we have already arranged for the sale of our Peace Medal in Boston, through J. Stowell & Company. I should be very glad however, to have you handle them in Worcester if you could do so on the same terms that we are offering them through Jewelers elsewhere. On these terms we send a limited number of medals on consignment, with the understanding that they are to be sold for Five dollars each and a list of the names of the purchasers at the end of six weeks. All our agents are expected to report on the number of medals sold with a list of the purchasers names, and to remit for the copies sold deducting as his commission 25% of Five dollars for each one sold.

If you will signify your willingness to undertake the sale of the medals in Worcester on these terms I shall have five medals sent you. We should of course make arrangements with no other agents in Worcester in the same manner we have precluded from making you our agent in Boston because of our agreement with Messrs. Stowell.

Very respectfully yours,

Secretary.

Dear Mr. Nee:-

We are greatly disappointed that we can not sell the Peace Medals in our Boston Studio, as we are located way down on Boylston Street which is some distance from A. Stowell & Co. and do not think we would interfere with their sales at all.

We would however like the sale of these for Worcester also Worcester county, if possible and if you would supply us with literature on them we would send them out to all of our customers thro out Worcester county and in that way could sell a great many of them. The terms that you write are very agreeable to me and I shall await your advise.

Very truly yours,

SCHERVEE STUDIOS.

Under the above conditions, may we not expect credit for the orders sent direct to you from our customers in Worcester County?

The Scherree Studios,

Worcester, Mass.

Gentlemen:-

I have your letter of July 8th, and I am to-day sending you five Bronze Peace Medals. These are to be sold at not less than Five dollars, and a list of the purchasers kept and referred to us at the time settlement is made.

I believe you are entitled to credit for orders from your customers sent in Worcester County provided they can be identified as such.

I shall take up the matter with Stowell and Company to see whether they would feel unwilling to allow you to sell the medals in Boston.

Wishing you success in your handling of this medal,  
I am

Dear Sir:-

I am today in receipt of medals returned by Messrs. Stowell & Co. Winter Street, Boston. I wrote you on July 14th enclosing an order upon A. I shall be glad to know how many you have been able to sell.

Gentlemen:-

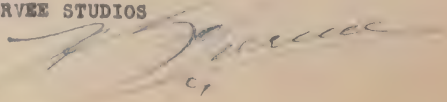

We have not availed ourselves of the order upon Stowell & Co. for the five bronze Peace Medals owing to the fact that our store in Boston is not yet completed, but we expect to open a week from today. Our Worcester place has been undergoing complete alterations so that we have not endeavored to do much new business. It is open today for practically the first time for a month, so we have not had much chance here to demonstrate what we can do, but hope to have good success with the Medals.

I would also ask that you kindly send us the five to our Boston Store some time this week. Enclosed card will give you our new address.

Very truly yours,

Gentlemen:-

Since writing our last letter your card of your Boston office at hand. In looking up our correspondence with you I find that on July 17th five (5) Bronze Peace Medals were mailed to your Worcester store. If you have not received these please let us know at once.

Possibly they came in while your store was closed and so the post-office was unable to deliver them. I would advise us to look them up at the post-office.

If you are not successful in this we will endeavor to trace them up from this end.

Very truly yours,

Curator..
